BOTH FOOD

AN IMPORTANT SCIENTIFIC DISCOVERY.

Likely to Revolutionize Pharmacy.

Of just the right proportion of each of the roots of several indigenous, or native, medicinal plants, or rather of the active therefrom by the use of chemically pure giveerine of just the right strength, consitures Dr. Pierce's Favorite Prescription for the care of weak, invalid nervotes, "run-down," over-worked women. Many years ago, Dr. Pierce discovered that chamically pure glycerine, of proportion faths the machinal principles and preservative of the medicinal principles actual plants, than is alcohol. Believing, as he does, that the use of alcohol, even in small portions, if isng continued, works great harm to the human system, is a determined not to employ this commonly used agent in making his medicines, but to use pure, triple-reined glycerine instead. Now, glycerine is not early perfectly harmiess but, possesses framily Medicines belong all by themesiones. Their ingredients are printed, in plain English, on each bottle wrapper.

The exact proportion of the several ingredients used in these medicines, as well as the working formula and peculiar processes, apparatus and appliances employed in their manufacture are withheld from publicity that Dr. Pierce's proprietary rights may not be lafringed and trapsaced upon by unprincipled intitators and those who may be piratically inclined.

With Dr. Pierce's medicines you don't have to pin your faith whoily to what the manufacturer are of their curative potentials and congles, in the latter cough? Observation, however, leads the manufacturer are withheld from publicity that Dr. Pierce's proprietary rights may not be lafringed in them.

With Dr. Pierce's medicines you don't have to pin your faith whoily to what the manufacturer are of their curative proprietary rights may not be lafringed in them.

With Dr. Pierce's medicines you don't have to pin your faith whoily to what the manufacturer are of their curative proprietary rights may not be lafringed in them.

With Dr. Pierce's medicines you don't have to pin your faith whoily to what the manufacturer are of thei A HAPPY COMBINATION Of just the right proportion of each of This little book of extracts, contains, in

WHAT OTHERS SAT.

With Dr. Pierce's medicines you don't have to pin your faith wholly to what the manufacturer says of their curative potency as with other medicines. Merenary motives, the greed for moneygeting, it is leared, often lead men, and women too, to put forth unresconable dialms for their loudly praised but many times nearly worthless compounds. Especially should the afficied beware of the "Cheap-John," free, give away, "trial bottle" dodge. It don't pay to triffe with one's health. It should be regarded as too sacred to be experimented with.

Dr. Pierce's medicines have a record of nearly forty years of cures behind thom, embracing many hundreds of thousands of bad cases restored to health and happiness.

THEY STAND ALONE

in having the professional endersement of scores of eminent medical practitioners and writers, of all the several schools of medical practice, who praise the curative properties of the several ingredients of which they are composed, away be-youd all that the makers of these medi-cines have ever claimed for them. These are the more valuable because in every case written without the author know-ing that he was praising articles entering into these popular med cines, the matter being composed for publication in various medical journals and books designed exclusively for professional reading and instruction. The afflicted can, therefore, rely upon such testimony as in every way truthful and trustworthy.

A LITTLE BOOK has been compiled, made up of brief extracts from many standard medical works, giving, but only in part, some few of the many good things written by leading medical authorities concerning the several native, medicinal roots that enter into the composition of Dr. Pierce's 1000-page filiustrated book, "The Common Sense Medical Adviser," is sent free in paper covers on receipt of medicines. Any one sanding, by postal card or letter, to Dr. R. V. Pierce, Buffalo, N. Y., and requesting a copy will receive it free by return post.
